

Weldy

2000

Single Phase MMA Inverter Welding Package

Features

- Single dial current control
- Compact and light weight
- Inverter technology
- Fan cooled with thermal protection
- Generator-friendly
- Suitable for outdoor site work

Supplied With:

◀ High-impact Carry Case

Mask, Electrode Holder and Lead, Earth Lead and Clamp, Chipping Hammer and Brush

Weldy 2000 Package:

Gas Regulator

TIG Torch

Specifications

Input Voltage	230V
Power (Max)	6.6kVA
Fuse	16A
O.C.V.	60V
Duty Cycle @ 60%	200A
Duty Cycle @ 100%	130A
Dimensions (cm)	49 x 26.5 x 40.5
Current Range	30 - 200A
Max Electrode Diameter (mm)	1.6 - 4
Mechanical Protection	IP21
Weight (kg)	7.5
