

TIG

200 HF - DC

Single Phase DC TIG Welding Machine

Features

- Robust Design
- DC TIG all ferrous materials
- Stick electrodes up to 4mm
- HF ignition
- Hot start
- Variable Down slope
- Digital display
- Post gas Pre-set

TIG 200 HF-DC Package:

TIG Torch
 Earth Clamp
 Welding Cables
 Brush
 Hammer
 Protective Mask

Specifications

Input Voltage	1 x 230V
Fuse	20A
kVA	4.5
Current range	10-200A
Duty cycle @ 60%	200A
Weight (kg)	7.5
Dimensions (mm)	490 x 170 x 340
